### Zeldes, Needle & Cooper Donates Over 100 Toys To Toys for Tots

Members from the law firm Zeldes, Needle & Cooper donated over 100 toys to the Toys for Tots Program. Through a series of raffles, bake sales and personal donations, Zeldes, Needle & Cooper was able to help the Toys for Tots Program deliver toys to less fortunate children in the Bridgeport community.

One of the objectives of the Toys for Tots programs is to help unify members of the local community in a common cause. That cause being to bring joy to children on Christmas. Zeldes, Needle & Cooper is proud to have been a contributing factor in that cause.
